

A fresh new year is once again upon us. It's the time to be thankful for the blessings of the past year and look at all achievements. At the same time, New Year 2020 is a brand new year to start afresh. Mayor, Council, and Staff wish each and everyone in our community all the best in the New Year.

May this year bring new goals, new achievements, and new inspirations for St. Walburg. Our hope is to turn every opportunity into success in the coming year. Each residents' support has contributed to the accomplishments over the past year. The Town of St. Walburg would like to thank the many Volunteers and Organizations who have added benefit to our Community. Each new year is not about changing the dates but direction; it's not about changing the calendar but commitment; it's not about changing the actions but attitude.

STWALBURG.COM WEBSITE UPDATE

The Town of St. Walburg embarked on a rebranding of the website in 2019. The site was brought online October 31, 2019. We have completely redesigned the site. The Town continues to add information on a weekly basis, so please check back. If you would like to see any features or information, be sure to let the Town Office know.

SNOW REMOVAL PROCEDURES

The Town would like to remind all residents to be aware of the snow removal procedures for the 2019-2020 season.

A Dial-my-calls Broadcast will be sent out prior to the Town Staff clearing snow, with a minimum of 24 Hours notice. The high priority areas are the emergency routes and the heavy truck routes. The broadcast will ask all residents to move parked vehicles from the street to assist with the removal process. As a precaution, the Town equipment may leave a ridge around each vehicle that has not been moved to assist with the process to avoid damage.

When there is a snowfall of 4" in one instance, the Town may begin snow removal during the evenings, and on weekends to keep the emergency routes accessible. The Town Office has a route map of the snow removal areas, feel free to stop by and take a look.

SIDEWALKS & SNOW REMOVAL

For pedestrians safety, please keep all sidewalks cleared of snow, ice, and debris. The Town has a bylaw that requires all snow, ice, and debris to be removed within 48 hours of a snowfall.

For more information, please contact the Town Office.

OUTDOOR RINK

The Outdoor Rink is ready to enjoy! It is located adjacent to Highway 26 (east of the manor) The Town will be placing signage at the location with some rules that are required for insurance purposes. **The Outdoor Rink is for Everyone.** Please contact the Town Office with any recommendations.

The nativity count for 2019 totaled 51 which is 9 more than last years count. We drove down every street and counted all yard and window sets that displayed a nativity scene. It’s amazing and wonderful for our town’s effort to Keep Christ in Christmas. From the Knights of Columbus a heartfelt thank-you.

Thank You
