# INDEPENDENT AUDITORS' REPORT

To the Members of Town of St. Walburg

#### Opinion

We have audited the financial statements of Town of St. Walburg (the Organization), which comprise the statement of financial position as at December 31, 2019, and the statements of operations and accumulated deficit, changes in net financial assets (debt) and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Independent Auditors' Report to the Members of Town of St. Walburg (continued)

#### Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
  a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
  involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
  control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Pinnar 6 Business Solutions Chartered Professional Accountants

The municipality's management is responsible for the preparation and presentation of the accompanying financial statements in accordance with Canadian public sector accounting standards (PSAS). The preparation of the statements necessarily includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgments and estimates by management is required.

In discharging its responsibilities for the integrity and fair presentation of the financial statements, management designs and maintains the necessary accounting, budget and other related internal controls to provide reasonable assurance that transactions are appropriately authorized and accurately recorded, that assets are properly accounted for and safeguarded, and that financial records are properly maintained to provide reliable information for the preparation of the financial statements.

The Council is composed of elected officials who are not employees of the municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the municipality's external auditors.

Pinnacle Business Soluions, an independent firm of Chartered Professional Accountants, is appointed by the Council to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

#### 1. Significant Accounting Policies

The financial statements of the municipality have been prepared by management in accordance with Canadian public sector accounting standards (PSAS) as recommended by the Chartered Professional Accountants of Canada (CPA Canada). Significant aspects of the accounting policies adopted by the municipality are as follows:

Basis of Accounting: The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting requires revenues to be recognized as they become available and measurable and expenses are recognized as they are incurred and measurable as a result of the receipt of goods and services and the creation of a legal obligation to pay

a) Reporting Entity: The financial statements consolidate the assets, liabilities and flow of resources of the municipality. The entity is comprised of all of the organizations that are owned or controlled by the municipality and are, therefore, accountable to the Council for the administration of their financial affairs and resources. Entities included in these consolidated financial statements are as follows:

<u>Entity</u> Town of St. Walburg

All inter-organizational transactions and balances have been eliminated.

- b) Collection of funds for other authorities: Collection of funds by the municipality for school boards, municipal hail and conservation and development authorities are collected and remitted in accordance with relevant legislation.
- c) Government Transfers: Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return. Government transfers are recognized as revenue in the period that the events giving rise to the transfer occur, providing:

a) the transfers are authorized
b) any eligibility criteria have been met, and
c) reasonable estimates of the amounts can be made.

Unearned government transfer amounts received will be recorded as deferred revenue. Earned government transfer amounts not received will be recorded as an amount receivable.

- d) Deferred Revenue Fees and charges: Certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred or services performed.
- Local Improvement Charges: Local improvement projects financed by frontage taxes recognize any prepayment charges as revenue in the period assessed.
- f) Net Financial Assets: Net Financial Assets at the end of an accounting period are the net amount of financial assets less liabilities outstanding. Financial assets represent items such as cash and those other assets on hand which could provide resources to discharge existing liabilities or finance future operations. These include realizable assets which are convertible to cash and not intended for consumption in the normal course of operations.
- g) Non-financial Assets: Tangible capital and other non-financial assets are accounted for as assets by the government because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the government unless they are sold.
- h) Appropriated Reserves: Reserves are established at the discretion of Council to designate surplus for future operating and capital transactions. Amounts so designated are described on Schedule 8.
- i) Property Tax Revenue: Property tax revenue is based on assessments determined in accordance with Saskatchewan Legislation and the formulas, principles, and rules in the Saskatchewan Assessment Manual. Tax mill rates are established annually by council following the guidance of the Government of Saskatchewan. Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred. Requisitions operate as a flow through and are excluded from municipal revenue.
- j) Investments: Portfolio investments are valued at the lower of cost, less any provisions for other than temporary impainment. Investments with terms longer than one year have been classified as other long-term investments concurrent with the nature of the investment.

#### 1. Significant Accounting Policies - continued

- k) Inventories: Inventories of materials and supplies expected to be used by the municipality are valued at the lower of cost or replacement cost. Inventories of land, materials and supplies held for resale are valued at the lower of cost or net realizable value. Cost is determined by the average cost method. Net realizable value is the estimated selling price in the ordinary course of business.
- I) Tangible Capital Assets: All tangible capital asset acquisitions or betterments made throughout the year are recorded at their acquisition cost. Initial costs for tangible capital assets that were acquired and developed prior to 2009 were obtained via historical cost information or using current fair market values discounted by a relevant deflation factor back to the point of acquisition. Donated tangible capital assets received are recorded at their fair market value at the date of contribution. The cost of these tangible capital assets less any residual value are amortized over the asset's useful life using the straight-line method of amortization. Tangible capital assets that are recognized at a nominal value are disclosed on Schedule 6. The municipality's tangible capital asset useful lives are estimated as follows:

| Asset                   | Useful Life  |
|-------------------------|--------------|
| General Assets          |              |
| Land                    | Indefinite   |
| Land Improvements       | 5 to 20 Yrs  |
| Buildings               | 10 to 50 Yrs |
| Vehicles & Equipment    |              |
| Vehicles                | 5 to 10 Yrs  |
| Machinery and Equipment | 5 to 10 Yrs  |
| Infrastructure Assets   |              |
| Infrastructure Assets   | 30 to 75 Yrs |
| Water & Sewer           | 40 Yrs       |
| Road Network Assets     | 15 to 40 Yrs |
|                         |              |

Government Contributions: Government contributions for the acquisition of capital assets are reported as capital revenue and do not reduce the cost of the related asset.

Works of Art and Other Unrecognized Assets: Assets that have a historical or cultural significance, which include works of art, monuments and other cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of future benefits associated with this property cannot be made.

Capitalization of Interest: The municipality does not capitalize interest incurred while a tangible capital asset is under construction.

Leases: All leases are recorded on the consolidated financial statements as either a capital or operating lease. Any lease that transfers substantially all of the benefits and risk associated with the leased asset is classified as a capital leases and recorded as tangible capital assets. At the inception of a capital lease, an asset and a payment obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the asset's fair market value. Assets under capital leases are amortized on a stright line amortization basis, over their estimated useful lives of the lease term. Any other lease not meeting the before mentioned criteria is classified as an operating lease and rental payments are expensed as incurred.

#### m) Landfill Liability:

The municipality does not maintain a waste disposal transfer site. The municipality expenses annual monitoring costs when incurred. No amount has been recorded as an asset or a liability.

- n) Trust Funds: Funds held in trust for others, under a trust agreement or statute, are not included in the consolidated financial statements as they are not controlled by the municipality. Trust fund activities administered by the municipality are disclosed in Note 18.
- Employee Benefit Plans: Contributions to the municipality's defined benefit plans are expensed when contributions are made. Under the defined benefit plan, the municipality's obligations are limited to their contributions.
- p) Liability for Contaminated Sites: Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met:
  - a) an environmental standard exists;
  - b) contamination exceeds the environmental standard;
  - c) the municipality:
    - i. is directly responsible; or
    - ii. accepts responsibility;
  - d) it is expected that future economic benefits will be given up, and
  - e) a reasonable estimate of the amount can be made.

#### I. Significant Accounting Policies - continued

9) Measurement Uncertainty: The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the period. Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary.

The measurement of materials and supplies are based on estimates of volume and quality. The 'Opening Asset costs' of tangible capital assets have been estimated where actual costs were not available. Amortization is based on the estimated useful lives of tangible capital assets.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in earnings in the periods in which they become known.

r) Basis of Segmentation/Segment Report: The municipality follows the Public Sector Accounting Board's recommendations requiring financial information to be provided on a segmented basis. Municipal services have been segmented by grouping activities that have similar service objectives (by function). Revenues that are directly related to the costs of the function have been attributed to each segment. Interest is allocated to functions based on the number of specific horrowings.

The segments (functions) are as follows:

- General Government: Provides for the administration of the municipality
- Protective Services: Comprised of expenses for Police and Fire protection
- Transportation Services: Responsible for the delivery of public works services related to the development and maintenance of roadway systems and street lighting.

Environmental and Public Health: The environmental segment provides waste disposal and other environmental services. The public health segment provides for expenses related to public health services in the municipality.

- Planning and Development: Provides for neighbourhood development and sustainability.
- Recreation and Culture: Provides for community services through the provision of recreation and leisure services.

Utility Services: Provides for delivery of water, collecting and treating of wastewater and providing collection and disposal of solid waste

s) Budget Information: Budget information is presented on a basis consistent with that used for actual results. The budget was approved by Council on January 10, 2019.

#### New Accounting Standards:

t)

Effective January 1, 2019, the municipality adopted the following standard to comply with Public Sector Accounting Standards (PSAS). This standard applies to all public sector entities for years beginning on or after April 1, 2018. Adoption of this standard requires all public sector entities to assess information using definitions, criteria and exceptions provided in the standards and apply professional judgement to comply with the disclosure requirements of each standard.

PS 3430 Restructuring Transactions provides guidance on how to account for and report restructuring transactions by transferors and recipients of assets and/or liabilities. The new standard has been adopted on a prospective basis.

Future Accounting Standards: Effective On or After April 1, 2021:

PS 1201 Financial Statement Presentation, replaces PS 1200 with revised general reporting principles and standards of presentation and disclosure in government financial statements. Effective in the period PS 3450 and PS 2601 are adopted.

PS 2601 Foreign Currency Translation, replaces PS 2600 with revised guidance on the recognition, presentation and disclosure of transactions that are denominated in a foreign currency.

PS 3041 Portfolio Investments, replaces PS 3040 with revised guidance on accounting for, and presentation and disclosure of, portfolio investments. Effective in the period PS 3450, PS 2601 and PS 1201 are adopted.

PS 3450 Financial Instruments, a new standard establishing guidance on the recognition, measurement, presentation and disclosure of financial instruments, including derivatives.

PS 3280 Asset Retirement Obligations, a new standard establishing guidance on the recognition, measurement, presentation and disclosure of a liability for retirement of a tangible capital asset. As this standard includes solid waste landfill sites active and post-closing obligations upon adoption of this new standard, existing Solid Waste Landfill Closure and Post-Closure Liability section PS 3270 will be withdrawn.

#### Effective On or After April 1, 2022:

PS 3400, Revenue, a new standard establishing guidance on the recognition, measurement, presentation and disclosure of revenue.

The extent of the impact on adoption of these future standards is not known at this time.

| 2. Cash and Temporary Investments | 20 | )19     | 2018          |

#### 7. Debt Charges Recoverable

The municipality does not have any debt charges recoverable.

#### Town of St. Walburg

# Notes to the Financial Statements

As at December 31, 2019

#### 8. Bank Indebtedness

#### **Credit Arrangements**

At December 31, 2019, the municipality has a line of credit totaling \$640,000, none of which was drawn. Interest on the line of credit is 3,95% per annum. The following has been collaterized in connection with this line of credit;

-General security agreement; and

-Assignment of the municipality's municipal taxes receivable.

#### 9. Deferred Revenue

10. Accru

|                           |    | 2019   | -  | 2018   |
|---------------------------|----|--------|----|--------|
| Tree committee funds      |    |        | \$ | 1,036  |
| Total Deferred Revenue    | S  |        | \$ | 1,036  |
| ued Landfill Costs        | _  | 2019   |    | 2018   |
| Environmental Liabilities | \$ | 45,000 | s  | 45,000 |

In 2019 the municipality has accrued an overall liability for environmental matters in the amount of \$45,000 (prior year - \$45,000) which represents management's best estimate of this liability. By their nature, these estimates are subject to measurement uncertainty and the effect on the consolidated financial statements of changes in such estimates in future periods could be significant.

Included in environmental liabilities is \$45,000 (prior year - \$45,000) of the estimated total landfill closure and post-closure care expenses.

Landfill closure and post-closure care requirements have been defined in accordance with The Environmental Management and Protection Act and include final covering and landscaping of the landfill, pumping of ground water, methane gas and leachate management, and ongoing environmental monitoring, site inspection and maintenance. The reported liability is based on estimates and assumptions with respect to events extending over a 20 year period using the best information available to management. Future events may result in significant changes to the estimated total expense, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

The estimated remaining capacity of the landfill is nil cubic metres (prior year - nil cubic metres) as the landfill has reached its capacity and is awaiting closure and post-closure care.

The unfunded liability for the landfill will be paid for with operating funds.

#### 11. Liability for Contaminated Sites

The municipality has no liability for contaminated sites.

#### 12. Long-Term Debt

a) The debt limit of the municipality is \$1,110,459. The debt limit for a municipality is the total amount of the municipality's own source revenues for the preceding year (the *Municipalities Act* section 161(1)).

b) The Synergy Credit Union water treatment plant upgrades loan is secured by municipal taxes receivable and future water billings collections. Monthly payments are \$3,338 including interest at 5.75%. The loan is due January, 2027

Future principal and interest payments are as follows:

| Year       | P     | rincipal | Interest |        | <b>Current Year Total</b> |         | Prior | Year Total |
|------------|-------|----------|----------|--------|---------------------------|---------|-------|------------|
| 2020       | \$    | 27,252   | \$       | 12,808 | \$                        | 40,060  | \$    | 27,252     |
| 2021       |       | 28,861   |          | 11,199 |                           | 40,060  | 100   | 28,861     |

#### 13. Lease Obligations

The municipality does not have any lease obligations.

#### 14. Other Non-financial Assets

The municipality does not have any other non-financial assets.

#### 15. Contingent Liabilities

The municipality does not have any contingent liabilities.

# 16. Pension Plan

The municipality is an employer member of the Municipal Employee Pension Plan (MEPP), which is a multiemployer defined benefit pension plan. The Commission of MEPP, representing plan member employers, is responsible for overseeing the management of the pension plan, including investment of assets and administration of benefits. The municipality's pension expense in 2019 was \$29,644. The benefits accrued to the municipality's employees from MEPP are calculated using the following: Pensionable Years of Service, Highest Average Salary, and the plan accrual rate.

# 17. Comparative Figures

Prior year comparative figures have been restated to conform to the current year's presentation.

#### 18. Trusts Administered by the Municipality

A summary of trust fund activity by the municipality during the year is as follows: Hospital trust fund

| Curren | Prior Year Total |                  |                     |
|--------|------------------|------------------|---------------------|
| S      | 17,287           | \$               | 17,140              |
|        |                  |                  |                     |

Client Number: 106240

Pinnacle Business Solutions 307 Center Street Box 370 Meadow Lake SK S9X 1Y3

Dear Sir / Madam:

This representation letter is provided in connection with your audit of the financial statements of Town of St. Walburg for the year ended December 31, 2018, for the purpose of you expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with Canadian public sector accounting standards.

In making the representations outlined below, we took the time necessary to appropriately inform ourselves on the subject matter through inquiries of entity personnel with relevant knowledge and experience, and, where appropriate, by inspecting supporting documentation.

We confirm that (to the best of our knowledge and belief):

#### 1. Financial Statements

We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated November 7, 2018for:

- Preparing and fairly presenting the financial statements in accordance with Canadian public sector accounting standards;
- Providing you with:
  - Access to all information of which we are aware that is relevant to the preparation of the financial statements, such as:

A. Accounting records, supporting data and other relevant documentation,

- B. Minutes of meetings (such as shareholders, board of directors and audit committees) or summaries of actions taken for which minutes have not yet been prepared, and
- C. Information on any other matters, of which we are aware, that is relevant to the preparation of the financial statements;
- ii. Additional information that you have requested from us for the purpose of the audit; and
- iii. Unrestricted access to persons within the entity from whom you determine it necessary to obtain audit evidence.
- c) Ensuring that all transactions have been recorded in the accounting records and are reflected in the financial statements; and
- d) Designing and implementing such internal control as we determined is necessary to enable the preparation of financial statements\* that are free from material misstatement, whether due to fraud or error. We have also communicated to you any deficiencies in the design and implementation or the maintenance of internal control over financial reporting of which management is aware.

#### 2. Fraud and Non Compliance

We have disclosed to you:

### 2. Fraud and Non Compliance (continued)

- All of our knowledge in relation to actual, alleged or suspected fraud affecting the entity's financial statements involving:
  - i. Management;
  - ii. Employees who have significant roles in internal control; or
  - iii. Others where the fraud could have a material effect on the financial statements;
- All of our knowledge in relation to allegations of fraud or suspected fraud communicated by employees, former employees, analysts, regulators or others;
- All known instances of non-compliance or suspected non-compliance with laws and regulations, including all
  aspects of contractual agreements that should be considered when preparing the financial statements;
- d. All known, actual, or possible litigation and claims that should be considered when preparing the financial statements; and
- e. The results of our risk assessments regarding possible fraud or error in the financial statements.

#### 3. Related Parties

We have disclosed to you the identity of all of the organization's related-party relationships and transactions of which we are aware. This includes sales, purchases, loans, transfers of assets, liabilities and services, leasing agreements, guarantees, non-monetary transactions, and transactions for no consideration for the period ended as well as related balances due to or from such parties at the period end.

All related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Canadian public sector accounting standards.

### 4. Estimates

We acknowledge our responsibility for determining the accounting estimates required for the preparation of the financial statements in accordance with Canadian public sector accounting standards. Those estimates reflect our judgment based on our knowledge and experience of past and current events, and on our assumptions about conditions we expect to exist and courses of action we expect to take. We confirm that the significant assumptions and measurement methods used by us in making accounting estimates, including those measured at fair value, are reasonable.

#### 5. Commitments and Contingencies

There are no commitments, contingent liabilities/assets or guarantees (written or oral) that should be disclosed in the financial statements. This includes liabilities arising from contract terms, illegal acts or possible illegal acts, and environmental matters that would have an impact on the financial statements.

#### 6. Adjustments

We have reviewed, approved and recorded all of your proposed adjustments to our accounting records. This includes journal entries, changes to account coding, classification of certain transactions and preparation of, or changes to, certain accounting records.

#### 7. Accounting policies

All significant accounting policies are disclosed in the financial statements and are consistent with those used in the previous period.

#### 8. Inventories

The inventories of supplies as at December 31, 2018 were the property of our entity and were determined by actual count, weight or measurement. They do not include any items billed to customers but not shipped, any items returned by customers for which credits have not been recorded, any items on consignment, bill-and-hold arrangements, or other arrangements either owned by us or by our suppliers.

Inventories were measured at the lower of actual cost and net realizable value. Cost is by average cost.

Inventories were measured on the same basis and were determined in the same manner as inventories at the end of the preceding period.

## 9. Journal entries

We have approved all journal entries and other adjustments proposed by you, and they have been included in our financial statements.

#### 10. Liabilities and contingencies

All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the financial statements.

#### 11. Material measurement uncertainties

The nature of all material measurement uncertainties has been appropriately disclosed in the financial statements, including all estimates where it is reasonably possible that the estimate will change in the near term and the effect of the change could be material to the financial statements.

#### 12. Pension costs, assets and obligations

All of our pension plans and provisions of each plan have been fully disclosed to you.

# 13. Tangible capital assets

Tangible capital assets are recorded at cost. We have good and valid title to all items of tangible capital assets reflected in the accounts relating thereto, and there are no liens or encumbrances on our assets. During the period ended December 31, 2018, no material amounts relating to additions or improvements of property, plant and equipment were charged to expense. The provision for amortization is based on the cost and expected economic useful lives of the property using the declining balance method.

#### 14. Receivables

The accounts receivable reflected in the accounts constitute valid claims against customers and other debtors. They do not include amounts for goods shipped on consignment, approval or under repurchase commitments, or for goods shipped after December 31, 2018.

#### 15. Revenue recognition

We have recorded all revenue that met the following criteria:

- a. Persuasive evidence of an arrangement exists;
- b. Delivery has occurred, or services have been rendered;
- c. Price is fixed or determinable; and
- d. Collectability is reasonably assured.

# 16. Subsequent events

There have been no events between the balance sheet date and the date of this letter that would require recognition or disclosure in the financial statements.

There have been no events subsequent to the balance sheet date of the comparative financial statements that would require adjustment or disclosure in the current financial statements.

Acknowledged and agreed on behalf of Town of St. Walburg by:

Date signed

Town of St. Walburg PO Box 368 St. Walburg SK S0M2T0

Dear Sir / Madam

We have been engaged to audit the financial statements of Town of St. Walburg for the year ending December 31, 2019.

The purpose of this letter is to communicate with you regarding all relationships between Town of St. Walburg and ourselves that, in our professional judgment, may reasonably be thought to bear on our independence.

The following comments have been prepared to facilitate our discussion with you regarding independence matters arising since February 18, 2019, the date of our last letter.

We hereby confirm that we:

- have complied with the requirements regarding independence in the Rules of Conduct of the Chartered Professional Accountants of Saskatchewan; and
- have disclosed all relationships and other matters between the Firm, network firm and the entity that in our
  opinion may reasonably be thought to bear on independence.

We are not aware of any relationships between Town of St. Walburg and ourselves that, in our professional judgment, may reasonably be thought to bear on our independence, that have occurred from January 1, 2019 to May 14, 2020.

This letter is intended solely for the use of the audit committee, the board of directors, management, and others within the organization and should not be used for any other purpose.

Should you wish to discuss this matter with us further, please contact us at your earliest convenience.

Yours truly,

Laura L. Fechter, CPA, CA Partner
