

Hello February

January 26, 2020 Council Meeting Highlights

The January 26, 2021 Regular Scheduled Council meeting took place in the St. Walburg Council Chambers adhering to the current COVID-19 regulations, with all Council Members and the CAO in attendance.

The December 23, 2020 Council meeting minutes were adopted, with one revision to include the resolution for the Town of St. Walburg to enter into a Public Works Consulting Contract with L. Knight Contracting. Town Council approved the Council and Representative Committee List and the Council Appointments for 2021. Policy 200-07 Indemnity was presented with revisions to Council and Appointee remuneration, effective January 1, 2021. The revisions to the policy were approved. The 2021 Draft Budget was presented, reviewed and discussed, with adoption. The January 11, 2021 Water Treatment Plant Compliance Inspection was accepted.

The Infrastructure Committee presented a revised Terms of Reference for discussion. The document was accepted as a living document. The Town of St. Walburg Council passed By-law 2021-01 to Fix the Rates to be Charged for Water and Sewer Rates. This bylaw is to be forwarded to Saskatchewan Municipal Board for approval. The revised rates will be implemented once approval is received. The Town of St. Walburg has approved the installation of a streetlight at Lot 1, Block 47 for a cost of \$782.01. This location is on the northeast side of the St. Walburg Manor. Outcomes of the Recycle Grounds survey were reviewed— location and usage. The Town Council has resolved that the recycle center will remain adjacent to the Water Treatment Plant.

The next Governance and Priorities meeting is scheduled for February 17, 2021 at 9:00 a.m. February Council meeting is scheduled for February 23 @ 3:00 p.m.

With the current COVID-19 regulations, Town Council encourages any resident who wishes to engage through the meetings to contact the CAO for more information and login details.

LET'S WORK TOGETHER TO PREVENT COVID-19!

- Every person who visits an outdoor recreation area must follow public health orders in order to prevent the transmission of COVID-19
- Individuals who are sick should stay home.
- A physical distance of two metres should be maintained between people not from the same household or extended household.
- Avoid overcrowding. Individual groups must not exceed the restrictions on public gatherings.
- Individuals should wash their hands before and after using any recreational area.

EyeOnWater

EyeOnWater allows you to connect to your utility account and see your latest water usage. Understand how much water you use, detect leaks, and discover trends for when you use the most water.

**THANK YOU
Volunteers!**
We couldn't do it without you

Overdrive Well Services Ltd. has stepped up once again to help prepare and flood our outdoor rink. Thanks to the efforts of many local volunteers who show up to help out with the many tasks in creating a community rink for all to enjoy. The warmer than usual weather has caused a delay in the rink this year. It is now time to come out and get some exercise, play some hockey or enjoy a leisurely skate.

WATER TREATMENT PLANT SEMI-ANNUAL INSPECTION

Our Semi-Annual Inspection was completed on January 11, 2021 by the Environmental Protection Officer for Water Security Agency. This inspection went extremely well with no deficiencies and everything being compliant with Saskatchewan water guidelines. We are presently working on completing more pre-treatment testing to determine dosage adjustment rate settings which will improve the taste and odor of the water. If you have any feed back, please contact the Town Office at 306-248-3232.

E-TRANSFER

The Town of St. Walburg can accept E-Transfer for payments. The email address to send to is: etransfer@stwalburg.com. Please include the account number, roll number, or general invoice number in the message field.

The question is to be: "What is this for?"

The passwords are to be as follows:

1. Utility Account—Utility
2. Tax Accounts—Taxes
3. General Invoices—General

The Town will reply back with a successful message when completed. Should you have any questions, please contact the Town Office.

NEW OFFICE HOURS

Effective immediately our new office hours will be Monday to Friday 9:00 am to Noon and 1:00 pm to 4:30 pm. Open longer to serve the St. Walburg Community.

IMPORTANCE OF CIVIC ADDRESS

Your civic number is the main physical feature used by emergency responders when locating the source of a 9-1-1 call. Every owner of a residence or business in the Province must display their civic address number in a way that is clearly visible from the main roadway. This allows emergency responders to find the address quickly in an emergency situation.

ANNUAL 2021 RENEWALS DUE

Permit to Operate an All Terrain Vehicle licenses are due yearly in January. Please stop in the Town Office and renew your plate. If you no longer require this permit, please return the license plate to the Town Office. Proof of current insurance is required.

All cats and dogs must be licensed and need to be renewed every year. A pet licence is a unique ID that tells us your pet belongs to you. It allows us to reunite the two of you more quickly if your pet ever gets lost or displaced in an emergency.

Business licence renewals are due for 2021. Once payment is received, an updated licence will be sent to you by mail.

RECYCLING CENTER GROUNDS

The Town offers all residents of St. Walburg and surrounding community recycling service. West Yellowhead Waste Resource Authority (WYWRA) provides the bins in St. Walburg. The Town of St. Walburg has agreements with the RM of Frenchman Butte No. 501 and the RM of Mervin No. 499 to assist with the costs of tipping for the bins.

The Recycle Center Grounds are located at 123—4th Street West (Beside the Water Treatment Plant). There are a number of 6 yard bins—cardboard only, commingle, glass, and electronics. The grounds are monitored daily.

In late November, the Town initiated a survey for the Recycling Center. The link was included on the Town of St. Walburg website and Facebook page for residents of St. Walburg to complete. There was also a mention of the survey in December 2020 Newsletter. The Town Council reviewed the results that were submitted at the January 26, 2021 Council meeting. At the present time, the Recycle Center will remain accessible at 123—4th Street West. Please contact the Town Office for more details.
