

April 28, 2021 Council Meeting Highlights

The April 28, 2021 Regular Scheduled meeting was called to order at 3:00 p.m. by Mayor Nancy Schneider. The minutes from March 31, 2021 were adopted.

Proclamations for Canadian Mental Health Week, May 3-9, 2021 and Canadian Royal Purple Week, May 16-22, 2021 were acknowledged by Town Council and signed by Mayor Nancy Schneider.

The Town of St. Walburg will be hiring summer students with assistance from Canada Summer Jobs. The Town is waiting on confirmation of financial contribution from the Federal Government. Interviews were held this past week.

Bylaw 2021-03 being a bylaw to Establish a Local Emergency Management Organization received second and third reading with adoption.

St. Walburg Communities in Bloom grant application for beautification of St. Walburg was approved in the amount of \$1,000.00. The Town will be purchasing a replacement mower, ZD326 60" Zero Turn Mower.

North Saskatchewan Municipal Health Holdings has released Clinic No Show Rates for March 2021. In March, 72 appointments (Riverside, Edam, Glaslyn, and St. Walburg) were marked as no shows due to a patient did not show up or answer the phone for their appointment or did not give sufficient notice to the clinic when cancelling their appointment. This information was requested to be distributed to our residents.

The April 28, 2021 Regular Scheduled Council Meeting was adjourned by Councillor Jean Steinacher at 6:25 p.m.

Happy May Day!

Town Crews complete seasonal maintenance tasks throughout the year. Coming up in the near future is tree trimming in back alleys and at intersections. A DialMyCalls will be sent out to the areas before. Please ensure that the Town Office has your current contact information to receive the callout.

RECYCLING MISTAKES

- ◆ When trash is put into the recycling bin it causes other recyclables to become contaminated, which means that many good recyclables become garbage. The cost of garbage is higher than the cost to recycle.
- ◆ After finishing something like soup, yogurt or sour cream, many individuals will give the containers a quick rinse and toss them into recycling bins. The problem is that even a small amount of food can spill onto other recyclable and contaminate the whole bin.
- ◆ Recycling varies from Town to Town. We have posted signs at the recycle area to tell you what can be placed into the WYWRA recycle bins. Please only put what is listed on the signs. **WHEN IN DOUBT, THROW IT OUT!**

One of the goals of the Town of St. Walburg is educating the citizens about recycling issues in our community. This contest is a fun way for residents of all ages to explore recycling methods in a fun way.

Look at the following items and circle ALL that can be recycled at 124—4th Street West. Turn in this completed form, between May 1 and June 30, 2021, at the Town Office during office hours to receive a “COMPLIMENTARY” garbage bag (Limit 1 per Town Resident).

COVID-19

Booking online is fast and easy.

Check your eligibility on saskatchewan.ca/covid19 AND

Have a valid Health Card AND

Have a valid email address OR

Have a cell phone number.

IMPORTANT:

If you do not have a valid Health Card, cell phone and/or email address, please call 1-833-SASKVAX (1-833-727-5829) to book your appointment.

To book an appointment online:

1

Check your Eligibility

The Government of Saskatchewan has developed a rollout plan for the COVID-19 vaccine and is described in detail in the [Vaccine Delivery Phases](#). Once you are [eligible](#), you can book online.

2

Start the booking

[Book Online](#)

Enter your health card number, date of birth and postal code. The system will guide you through a few simple questions, gathering consent, choice of clinic and booking date and time. Friends and family can also help other people book their appointment.

3

Confirming the booking

Provide your information, email address and/or cell phone number and consent to send notifications. For online security, you will need to verify you're not a robot by answering a simple test question.

At this point you can verify the details for your appointment and confirm the booking. You have the option to print the confirmation. You will receive a text and/or email confirmation if you have opted into receiving notifications.

COVID-19 Vaccination Appointment Booking Information Sheet

March 11, 2021

Vaccination appointments will be done according to age. **Currently booking persons age 85 and older.** Additional specific categories will be added when Phase 2 gets underway. Appointments can be made in one of two ways:

Online: saskatchewan.ca/covid19-vaccine

Telephone: 1-833-Sask-Vax (1-833-727-5829)

Online:

To book online go to saskatchewan.ca/covid19-vaccine. This site is mobile friendly.

You will need a valid Saskatchewan health card and a cell number or email address in order to receive a reminder of the appointment 24 hours beforehand. Family members or support persons may book an appointment for an eligible person. The online booking site can be accessed from outside Saskatchewan. The booking site will display a list of clinic options, dates and available appointment times. There are clinic locations across the province. Once a clinic is full it will be removed from the site. Please be patient as more clinics will become available as more vaccine is received.

Telephone:

To book by phone call **1-833-Sask-Vax (1-833-727-5829)** Open 8 am to 11 pm 7 days a week.

Please use the telephone booking option if you do not have a current Saskatchewan Health card or do not have a cell phone or email account. (The exception is Lloydminster residents with an Alberta health card).

When the time comes to add the additional categories, telephone booking must also be used by:

- Health care workers
- Individuals considered clinically extremely vulnerable

Please do not use the phone booking if you are able to book online to conserve this option for those who need it. Please be patient and be prepared to wait if there are high call volumes.

COVID-19 HEALTHY HABITS

The pandemic's disruption of normal life means it can be difficult to start new healthy habits or maintain those that you may have had before. There are lots of simple, everyday activities that, when done regularly, will improve your mental health.

- Exercise is proven to make you feel better. Remember, there are ways that you can exercise with others while following the current guidelines. Exercise at home or consider a walk or other activities outside, if weather permits.
- Cook, or learn to cook, healthy meals at home.
- Read a book or learn a new skill.
- Practice healthy sleep habits.
- Spending time with people and pets in your household who make you feel better, or connecting over the phone or online with those outside your household.
- Letting your feelings out by writing them down or talking with a friend or family member.
- Seeking counselling if you continue to struggle with stress or anxiety. Some counselling services are available over the phone or online at this time.

“Do the one thing you think you cannot do. Fail at it. Try again. Do better the second time. The only people who never tumble are those who never mount the high wire. This is your moment. Own it.”
Oprah Winfrey
