- (2) This Bylaw is intended to apply to making, or knowingly permitting to be made, any unreasonably loud or excessive noise, disturbance or commotion in any dwelling, place of business or other structure, or upon any public street, park or other place or building.
- (3) The ordinary and usual sounds and noises incidental to the occupation and use of property and the activities of persons in the Town, when conducted in accordance with usual standards or practices and in a manner that will not unreasonably disturb the peace and comfort of adjacent residences or which will not detrimentally affect the operators of adjacent places of business, are not intended to be subject to the provisions of this Bylaw.

General Prohibition

- 5. (1) No person shall make, continue, or cause to be made or continued, or suffer or permit to be made or continued:
 - (a) any unreasonably loud or excessive noise;
 - (b) any noise which unreasonably disturbs, injures, or endangers the comfort, repose, health, peace or safety of reasonable persons of ordinary sensitivity within the jurisdictional limits of the Town; or
 - (c) any noise which is so harsh, prolonged, unnatural, or unusual in time or place as to occasion unreasonable discomfort to any persons within the neighborhood from which said noises emanate, or as to unreasonably interfere with the peace and comfort of neighbors or their guests, or operators or customers of places of business, or as to detrimentally or adversely affect such residences or places of business.
- (2) Factors for determining whether a sound is unreasonably loud or excessive include, but are not limited to, the following:
 - the proximity of the sound to sleeping facilities, whether residential or commercial;
 - the land use, nature and zoning of the area from which the sound emanates and the area where it is received or perceived;
 - the time of day or night the sound occurs;

the duration of the sound;

the volume of the sound;

the nature of the sound;

whether the sound is recurrent, intermittent or constant; and
the nature of the event or activity from which the sound emanates.

- (3) In the absence of other evidence, or by way of corroboration of other evidence, a justice may infer from the evidence of a peace officer relating to the conduct of a person or persons that a sound is unreasonably loud or excessive.
