

You did it!

CLASS OF 2022!

2022 GRADUATES OF ST. WALBURG SCHOOL

To the 2022 Graduates of St. Walburg High School,

The time of your graduation has finally arrived! The people of St. Walburg are very proud of all the graduating class, as you have overcome many hurdles and challenges over the past year to the graduating podium. Well done!

You have also succeeded in one of the most unprecedented times the world has ever experienced. This alone means that you are equipped quite differently than past cohorts. In addition, you have made lifelong friends that will continue to offer you support and friendship. Know that you will always have your home community as a strong support team as you move out into the world and into a new life.

Chance and choice are often melded together, and it can be hard to decide which roads to take. Chance will bring you opportunity, and your choices will determine your path. Find the joy in life, and search for your place in the world. Best wishes in all your future endeavors.

Mayor Nancy Schneider and Deputy Mayor Clinton Parker

St. Walburg RCMP ATV/MOTORCYCLES

Summer time is here and everyone wants to get out and use their ATV's and Motorcycles. To make sure everyone has a clear understanding, it is an offence under the Traffic Safety Act to operate a motor vehicle without valid insurance or registration on a Highway. It is also an offence to allow someone under the age of 16 years old to operate a motor vehicle unsupervised. These are not new laws and can result in a substantial fine amount.

A Highway is defined as follows: "highway" means a road, parkway, driveway, square or place designed and intended for or used by the general public for the passage of vehicles, but does not include any area, whether privately or publicly owned, that is primarily intended to be used for the parking of vehicles and the necessary passageways on that area. This means any street or road in the Province of Saskatchewan that is accessible to the public.

Motor Vehicle is defined as follows: "motor vehicle" means a vehicle propelled or driven by any means other than by muscular power.

There is no need to operate an un-registered or un-insured vehicle through town. There is more than enough rural area to operate these vehicles outside of town limits. In my experience a persons driving behavior dictates a Police response so be mindful of how you are operating your motor vehicle. Destruction of private property is a Criminal Code offence, be respectful of where your operating your motor vehicle. An example of this is damage caused by tearing up grass on private property or destroying crops.

Crime is no longer a Police only problem. Be diligent in locking your vehicles and removing any thing of value. Motion sensor lights and cameras are a good deterrent. Report Crime while it is happening. This is important so Police can allocate resources to problem areas.

The bees, the birds have such a tune,
There's such a light and such a heat
And such a joy this June..."*

Congratulations! Today is your day.
You're off to Great Places! You're off and away!
You have brains in your head. You have feet in your shoes.
You can steer yourself in any direction you choose. You're on your own.
And you know what you know. You are the guy who'll decide where to go.

SCRAP TIRE RECYCLING

RM OF MERVIN

If you have scrap tires that you want to get rid of, the "Tire Stewardship of Saskatchewan Program" provides Saskatchewan residents an opportunity to participate in responsible scrap tire recycling. Start gathering the used tires you wish to dispose of on your own property in the coming months. All tires must be:

- Removed from the rim.
- Relatively free of dirt and debris.

If you have more than 500 tires on your property, please let us know and we can arrange pick up at your location. Again, all tires must:

- Removed from the rim.
- Relatively free of dirt and debris

This initiative is tentatively planned for June 2022 to provide enough time to round up the tires. The actual date will be announced closer to June. On the delivery date, the Transfer Site Attendant will direct you to a location at the Transfer Site where you can unload the tires once verified that they meet the no-rim and debris-free criteria. Any tires that do not meet this criterion will not be accepted.

ST. WALBURG FARMERS MARKET

Join us from 3-6 pm EVERY Friday at the St. Walburg Campground! Stop by and check out the great baking, crafts and garden produce. During July and August, we will also be open on Tuesday from 3 to 6 pm.

JUNE IS RECREATION AND PARK MONTH (JRPM)

Each year, JRPM is celebrated to highlight the importance of parks and recreation services to community cohesion and individual wellbeing. It is an opportunity to continue recognizing the importance of local community spaces and how recreation and parks contribute to healthy people and happy communities.

BE A RESPONSIBLE PET OWNER

With the nice weather upon us, many residents are taking the opportunity to enjoy the outdoors. The Town of St. Walburg would like to remind all Pet Owners to be courteous to your community, neighbours and many green spaces, including the Trans Canada Trail.

The RM of Frenchman Butte No. 501 has granted permission to any resident within their boundaries to use the Community Wells. The closest well to St. Walburg is west of the Municipal Cemetery on Highway 26 South. Community wells are non-potable water intended for agriculture use. There are two Community Wells located within the RM of Frenchman Butte No. 501:

NE 29-53-22 W3 & SW 35-53-24 W3.

...WELL DODS!... IT'S FINALLY HERE!... GRADUATION! MY GATEWAY TO INDEPENDENCE!... FREEDOM!... GONNA CHASE MY DREAMS!... YIP!... GRAB LIFE BY THE HORNS!... SET THE WORLD ON FIRE!... SO... CAN I BORROW THE CAR AND MAYBE A LITTLE GAS MONEY?...
